## Topics

**Perpetual Leadership:** Why is it that some leaders keep increasing their impact while others never seem to scale up to the next level of leadership? Dave provides research, proven strategies, and tools to move leaders to the next level of success.

**Leading Change:** Why is it so hard to get organizations to change? Dave provides proven strategies and tools for creating buy-in and implementing organizational change.

**Achieving Discretionary Effort:** Why is it that top performing employees give 57% more effort than their colleagues? Dave provides proven strategies and tools for engaging employees to achieve greater success.

## Expertise

Dave A. Jennings, PhD delivers results. He is relied upon by leaders from Fortune 500s, State and Federal Government, and Non-Profits for his expertise in leadership, change, and communication.

Dave is President of Business Acumen, Inc. and has made over 1000 presentations to managers and executives. He engages leaders and their teams in powerful conversations that produce results on and off the job. He provides proven strategies and tools that increase profits, commitment, and accountability.

Dave is the author of *Catapult: A Leadership Parable for Succeeding Beyond Your Experience*. He has authored numerous leadership articles.

Dave is quoted in national and international publications including Industry Week, Investors Business Daily, and Sales and Marketing Magazine.
